## ORDER

In re Molnar Minors

Docket No. 267465

LC No. 2003-685908-NA

Henry William Saad  
Presiding Judge

Mark J. Cavanagh

Pat M. Donofrio  
Judges

The Court orders that the motion for immediate consideration is GRANTED.

The Court orders that the application for leave to appeal is DENIED for lack of merit in the grounds presented.

The motion for peremptory reversal pursuant to MCR 7.211(C)(4) is DENIED for failure to persuade the Court of the existence of manifest error requiring reversal and warranting the requested peremptory relief without argument or formal submission.

Judge Saad would grant the application for leave to appeal and, pursuant to MCR 7.205(D)(2), remand this matter to the trial court for articulation of its reasons for denying respondent's request for parenting time. Under MCL 712A.18f(3)(e), the case service plan must provide for regular and frequent parenting time at least once every seven days unless the court determines that even supervised parenting time will be harmful to the children. Under the statute, the trial court was required to state its reasons for denying parenting time on the record.
